NEW YORK STATE'S
Essential Elements: Schools-to-Watch Program
Initial Designation Application (2020-21)
(Sixteenth Cohort)

INSTRUCTIONS

Overview

New York State's Essential Elements: Schools-to-Watch (EE: STW) program seeks to identify and honor diverse, high-performing model middle-level schools and programs that demonstrate what all schools with middle-level grades should be and are capable of achieving. New York State's young adolescent students deserve middle-level schools and programs that are academically excellent, developmentally appropriate, socially equitable, organized to sustain continuous improvement, and exemplars for the implementation of the *Essential Elements of Standards-Focused Middle-Level Schools and Programs* and the *Regents Policy Statement on Middle-Level Education*. New York State's EE: STW selection criteria represent an alignment of the National Forum to Accelerate Middle Grades Reform's standards, the New York State Board of Regents' *Policy Statement on Middle-Level Education*, and the State Education Department's *Essential Elements of Standards-Focused Middle-Level Schools and Programs*.

The New York State EE: STW program is being implemented by a Statewide Middle-Level Education Alliance involving, among others, the New York State Middle School Association, The New York State Education Department, New York State United Teachers, the School Administrators' Association of New York State, and the Statewide Network of Middle-Level Education Liaisons.

Minimum Eligibility Requirements to Apply for Initial Designation as an EE: STW School

Schools seeking initial designation as an EE: STW school must have **at least TWO of the following grades**: grade six, grade seven, grade eight **and** must not be currently classified as a Comprehensive Support and Improvement or Targeted Support and Improvement school or district under New York State's accountability system.

Initial Designation Application Writing Protocol

The EE: STW program initial designation application process is designed so that schools themselves **MUST** complete the process. Initial designation applications prepared by external grant writers or paid consultants will not be accepted.

Initial Designation Application Deadlines

ALL initial designation application materials must be submitted by **Friday, July 17, 2020**

Submission of the Initial Designation Application

One original signed copy of the **ASSURANCES** page must be sent by surface mail to Christine Radez as per the instructions on pages 7 and 8 (Steps 8 and 9).

HOW TO APPLY

(Please read carefully to insure that all steps are completed correctly)

Begin by reading the initial designation application requirements:

- Before your school begins to prepare its initial designation application, convene your team to read and discuss the initial designation application requirements and procedures.
- Be sure that your school meets the minimum eligibility requirements. It must have **at least TWO of the following grades**: grade six, grade seven, grade eight. It must not be currently classified as a Focus or Priority school under New York State's accountability system.

The Essential Elements: Schools-to-Watch initial designation application procedure consists of the following nine steps –

Step 1: Become familiar with the EE: STW initial designation application and application development process.

Thoroughly study the initial designation application and the initial designation application process. The initial designation application itself consists of:

- Part I: Descriptive Information
- Part II: Narrative
- Part III: Recent Changes
- Part IV: Assurances
- EE: STW Self-Study and Rating Rubric downloadable at:
<http://www.nysed.gov/curriculum-instruction/essential-elements-schools-watch>
PLUS
- National Forum's STW Self Study and Rating Rubric to be completed on-line. See Step 2 for information on accessing this rubric.

Step 2: Secure access to the National Forum's STW on-line Data Collection Survey.

As soon as your school decides to submit an initial designation application – **but no later than May 1, 2020** – contact Dave Vroman, Co-Director, New York State EE: STW Program at dvroman@potsdam.k12.ny.us or Christine Radez, Co-Director at NYSED, at christine.radez@nysed.gov, for instructions on how to access the National Forum's Schools-to-Watch (NF-STW) on-line data collection survey. All certified, professional and paraprofessional staff must participate in this on-line data collection process in order to submit an eligible initial designation application for review. This access is vital to completing the final initial designation application due July 17, 2020. Initial designation applications that are submitted by schools that have not completed the on-line data collection component will not be reviewed.

Again, for information on how to access the NF-STW on-line data collection survey, contact: David Vroman or Christine Radez.

Step 3: Complete BOTH the Essential Elements: STW Self-Study and Rating Rubric AND the National Forum's STW (NF-STW) data collection survey.

Develop a process to complete **both** the EE: STW Self-Study and Rating Rubric that will accompany the initial designation application **and** the NF-STW data collection survey. All certified professional and paraprofessional staff should be involved.

- **Using a collaborative, school-wide process** complete one composite EE: STW Self-Study and Rating Rubric that will be submitted with your initial designation application. This copy **MUST INCLUDE** specific school policies, programs and activities that resulted in the criteria ratings. This section is not included in the electronic on-line data collection survey. Use the following form to complete the EE: STW Self-Study and Rating Rubric and include with your initial designation application:

<http://www.nysed.gov/curriculum-instruction/essential-elements-schools-watch>

Assign a single, aggregated rating that reflects the collective perceptions of your school community for each of the 37 criteria contained within of the four EE: STW domains.¹

- Academic Excellence
- Developmental Responsiveness
- Social Equity
- Organization Structure and Processes

NOTE: *The single rating for each criterion contained within the four EE: STW domains should reflect the collective perceptions of your school's staff.*

- Include narrative evidence of school programs, practices and activities under each of the 37 rating criteria in the 4 domain areas. Be accurate and rate your school appropriately and honestly. Involve all stakeholder groups fully in the self-study process. During the discussions of each of the dimensions, begin to build a list of details and evidence that supports the ratings and that will give substance and specifics to the written narrative. Include this evidence under each criterion in the space provided.
 - The completed, collaboratively-developed EE: STW Self-Study and Rating Rubric will include an overall rating 0-4 for each of the 37 criteria **AND** evidence of specific school programs and practices supporting each rating.

¹ The original four School-To-Watch domains and their criteria were first developed by the National Forum to Accelerate Middle Grades Reform, the sponsor of the Schools-To-Watch program nationally. The four domains and their criteria align fully and completely with the *Regents Policy Statement on Middle-Level Education* (2003) and the State Education Department's seven *Essential Elements of Standards Focused Middle-Level Schools and Programs* (2003) (as they are grounded in the same research base). The EE: STW Self-Study and Rating Rubric developed for use in New York State incorporates and merges both the State Education Department's seven Essential Elements and their attributes AND the National Forum's four domains and their criteria.

- **IMPORTANT:** After completing the EE: STW Self-Study and Rating Rubric, direct all certified professional and paraprofessional staff to complete the NF-STW on-line data collection survey.

Step 4: Gather the required information and complete Part I of the initial designation application (Descriptive Information).

- Go to the NYS Education Department Website (<http://data.nysed.gov/>) and attach copies of the two most recent School Report Cards to the EE: STW initial designation application.

Step 5: Complete Part II of the EE: STW initial designation application (Narrative).

- **Section A: Tell Us About Your School (4 to 8 pages total):** For each of the four EE: STW Self-Study domains (Academic Excellence; Developmental Responsiveness; Social Equity; and Organizational Structure and Processes), write a 1-to-2 page narrative substantiating your school's ratings for the domain criteria. Give as much detail as possible within the space limitations. *If the Regents Policy Statement on Middle-Level Education and/or the State Education Department's Essential Elements of Standards-Focused Middle-Level Schools and Programs document have influenced or support the practices at your school, please reference and describe. Providing substantiating evidence is critical.*
- **Section B: What Are Your Plans for the Future? (1 to 2 pages total)** Write an additional 1-to-2 page narrative explaining your school's plans for the future. The narrative should include the following:
 - i. Identified priority need areas, action plans, anticipated outcomes, and expected support from the Central Office, and
 - ii. Steps the school/district intends to take in the future to orient and acclimate new staff to ensure they are familiar with the EE: STW program, the Essential Elements of Standards-Focused Middle-Level Schools and Programs, and the culture and expectations of the school.

SPECIFICATIONS FOR WRITING THE PART II NARRATIVE (Sections A and B):

1. At the top of each page, identify the topic (e.g., Academic Excellence, Social Equity, Developmental Responsiveness, etc.) about which you are writing.
2. Also in the top header, include the school's name.
3. At the bottom of each page, place a consecutive page number.
4. The Part II Narrative must be typed or word-processed. Please use a **12-point font** and allow left and right margins.
5. The Part II Narrative (Sections A and B) of the initial designation application cannot exceed a total of 12 pages.

Step 6: Complete Part III of the initial designation application (Recent Changes) that asks for specific information on any changes in the district or school in the past year.

- Provide additional information on what has happened over the past year that may or may not have had an impact on your school including:
 - i. Changes in the Board of Education, Central Office Administration, and Building Administration.
 - ii. Turnover in the teaching staff.
 - iii. Budget defeats.
 - iv. Changes in the school's organization, structure, program, or demographics.
 - v. Major changes in the master schedule.
 - vi. Changes in how students are grouped and/or assigned to classes.

Step 7: Sign Part IV of the initial designation application (Assurances).

Step 8: Arrange all documents into a SINGLE electronic file in either MS Word or PDF format and e-mail copies to the following addresses:

christine.radez@nysed.gov and dvroman@potsdam.k12.ny.us

Double check to be sure the initial designation application package includes:

- Part I (Descriptive Information);
- Part II (Narrative);
- Part III (Recent Changes);
- Part IV (Assurances);
- Completed EE: STW Self-Study and Rating Rubric: downloadable at:
<http://www.nysed.gov/curriculum-instruction/essential-elements-schools-watch>
- Copies of the two most recent School Report Cards and any additional data offered in support of your initial designation application

Step 9: Send a paper copy of the signed ASSURANCES pages by surface mail to:

Christine Radez, Associate
Office of Curriculum and Instruction
New York State Education Department
89 Washington Ave – Room EBA 860
Albany, NY 12234

**All Materials Must Be Submitted by Friday, July 17, 2020.
Late Submissions Will Not Be Accepted.**

Programmatic Information for the 2019-20 School Year:

14. How are your instructional minutes organized for each grade level (periods per day; block schedule; flexible block; semestered; self-contained; departmentalized, etc.)?

15. What courses are taught at each grade level and for how long? Please make clear how the units of study mandated by Section 100.4 of Commissioner’s Regulations are being met, especially in those areas for which there are no mandated State assessments (i.e., health education, home and career skills, technology education, library and information skills, art, music, physical education, languages other than English).

16. For students needing Academic Intervention Services and/or other mandated services (e.g., Resource Room, ESL), how are you ensuring that they receive required instruction in those standards areas for which there are no mandated State assessments?
17. What special opportunities/experiences does your school provide students that are designed to connect them to the school, to make them feel successful, and to create a positive school climate and culture?
18. Describe the programs and/or services provided English Language Learners (ELL) and provide evidence of their impact on student achievement.
19. If any subgroup in your student population did not meet AYP in one or more subjects last year, please describe the steps taken to meet the needs of these students at your school.

Special Recognitions:

20. Please let us know about any research projects, grant awards, articles, projects, or special awards of which your school has been the subject or recipient in the last three years. Please include dates, sponsors of awards, article titles, etc.
21. Is your school currently an institutional member of the New York State Middle School Association? Yes No

Describe Your Collaborative Process:

22. Completing the EE: STW initial designation application should be a collaborative process involving the entire school community. Write a paragraph describing the process used at your school, noting specifically the level of involvement of teachers, counselors, administrators, the school's shared decision-making committee and any others.

Elected Officials:

23. Please provide the name, mailing address, telephone number, and e-mail address for your State Senator, State Assembly Person, and Congressional Representative.

PART II: NARRATIVE

Section A: Tell Us About Your School (4 to 8 Pages)

For ***each*** of the four EE: STW Self-Study domains (**Academic Excellence; Developmental Responsiveness; Social Equity; and Organizational Structure and Processes**), **write a 1-to-2 page narrative** substantiating your school's ratings for the aspects of the self-rating scale. Give as much detail as possible within the space limitations. If the *Regents Policy Statement on Middle-Level Education* and/or the State Education Department's *Essential Elements of Standards-Focused Middle-Level Schools and Programs* document have influenced or support the practices at your school, please describe. **Providing evidence is the key**

Academic Excellence (1 to 2 pages of narrative):

(Note: In demonstrating the evidence for Academic Excellence, specifically criteria number five... "Teachers use a variety of methods to assess and monitor the progress of student learning", special attention should be paid to how the school uses multiple measures (formative and summative evaluation) aligned to the state standards to rate academic excellence.

If your school did not meet the minimum participation rate for required State assessments in ELA, mathematics, or science in the 2018-19 or 19-20 school year, please include in your narrative evidence of local assessment data used to measure student achievement in these areas. Assessments can be vendor provided or locally developed common benchmark assessments that indicate student achievement. Attach up to one additional page if required.

Developmental Responsiveness (1 to 2 pages of narrative):

Social Equity (1 to 2 pages of narrative):

Organizational Structure and Processes (1 to 2 pages of narrative):

Section B: What Are Your Plans for the Future (1 to 2 Pages)

- Write an additional 1 to 2 page narrative explaining your school’s plans for the future. How will your school maintain a high-quality, standards-based, state-of-the-art learning environment for young adolescents and the adults who educate them? The narrative should include the following:
 - i. Identified priority need areas, action plans, anticipated outcomes, and expected support from the Central Office, and
 - ii. Steps the school/district intends to take in the future to orient new staff to ensure they are familiar with the EE: STW program, the Essential Elements of Standards-Focused Middle-Level Schools and Programs, and the culture and expectations of the school.

PART III: RECENT CHANGES

Please provide specific information on any changes in the district or school in the past year. Include any additional information (not limited to the following) on what has happened over the past year that may have had an impact on your school including:

- i. Changes in the Board of Education, Central Office Administration, and Building Administration.**
- ii. Turnover in the teaching staff.**
- iii. Budget defeats.**
- iv. Changes in the school's organization, structure, program, or demographics.**
- v. Major changes in the Master Schedule.**
- vi. Changes in how students are grouped and/or assigned to classes.**

i. Please describe any changes in the Board of Education, Central Office Administration, or building administration that have occurred in the past year.

ii. Please detail the changes that have occurred in the teaching staff (turnover) in the past year.

iii. If there have been any school budget defeats in the past year, please explain their impact on the middle-level school's operations, staffing, and programs.

iv. Please describe any changes in the school's organization, structure, program, or demographics in the past year.

v. Please describe any major changes in the master schedule in the past three years.

vi. Please describe any changes in the past year in how students are grouped and/or assigned to classes.

PART IV: ASSURANCES

Signature and Permission:

I am aware applications developed and written solely by consultants will not be considered, and I certify that the initial designation application (including narrative) preparation was a collaborative process involving site administrators, teachers, and other key stakeholders.

I give permission to the National Forum to Accelerate Middle Grades Reform, the New York State Middle School Association, the New York State Education Department, and the Essential Elements: Schools-to-Watch Leadership Team to publish the information and materials included in this application on their websites in order to help other schools move toward high performance and implement *Regents Policy Statement on Middle-Level Education* and the Department's *Essential Elements of Standards-Focused Middle-Level Schools and Programs*.

I understand that representatives of the Essential Elements: Schools-to-Watch program may conduct a site visit to my school during the 2020-21 school year, and that we will gladly host such a visit. Furthermore, if my school is selected as an Essential Elements: Schools-to-Watch school, a documentation team may visit the school in order to gather further information for a case study. This case study may include written and photographic and/or videotaped documentation. My staff and I will cooperate in the data-gathering effort to the fullest extent possible and will assist in obtaining the necessary releases for the case study.

If selected as an Essential Elements School to Watch, an award will be presented to the school at a national conference in Washington DC in June of 2021. If selected I will make every effort to secure the resources necessary to send a team or representative to accept that award on the school's behalf.

Further, if selected as an Essential Elements School to Watch, an award will be presented to the school at the annual conference of the New York State Middle School Association in the fall of 2021. If selected I will make every effort to secure the resources necessary to send a team or representatives to accept that award on the school's behalf and to present a workshop at the conference in which one or more of our instructional best practices will be showcased. Also, I will encourage and support my principal's participation in the annual convening of EE: STW Principals held during the NYSMSA annual conference.

I recognize that being selected as an Essential Elements: Schools-to-Watch school will result in an increase in outside visitors and publicity. We are prepared to share our knowledge and experience with others in order to accelerate middle grades reform.

I certify that my school is not currently classified as a Comprehensive Support and Improvement or Targeted Support and Improvement school under New York State's accountability system.

I certify that my school is fully and completely in compliance with any and all Commissioner's Regulations including, but not limited to, those concerning teacher certification and assignment, program offerings and units of study requirements, mandated services to special populations, and the timely provision of Academic Intervention Services.

I further certify that the Office of Civil Rights (OCR) does not have any outstanding findings of one or more civil rights statute violations by the school or district which may affect the school and that there are no pending suits by the Department of Justice against the district alleging that the school, or the district as a whole, has violated one or more of the civil rights statutes or the Constitution's equal protection clauses.
